

WARNING

Emergency rescue team will be present during the riding on BikeFest 2020 in Kellys Bikepark Kálnica. However, the **participation is at own risk** and the organizer Ski Centrum Kálnica s.r.o. as well as the company Sportmedia s.r.o. are not responsible for any injuries which may happen to the participants or which the participants might cause to other people.

RULES

1. Each rider is required to wear a safety helmet while riding. For DH riders, it is recommended to wear a helmet designed for downhill or motocross. An ordinary helmet is enough for crosscountry and airbag riding.
2. Downhill riders are recommended to wear protective equipment for their neck, back, chest, shoulders, arms, elbows and shin.
3. A bicycle with minimally sprung front fork is used for downhill riding.
4. There must be a minimum of two racers on the race track.
5. In case of an accident on the track the racer (biker) is required to provide the first aid and call the ambulance or at least to notify of the injury the Bike Center's operator at the lift.
6. Everyone on the track is required to behave in the way that he/she does not endanger the health and life of the other person and does not cause any damage to another person.
7. It is prohibited to somehow modify willfully the track or to change the legs or hurdles except in the situations that threaten the safety of other bikers on the track.

BIKER'S DECLARATION
